The President's Message

Open Heart Surgery is no joke. As I write this I'm little over three weeks out from double Bypass Surgery. I'm recovering quite well, but no fishing for at least another month or so. I cant tell you how much all of the well wishes from my friends in the club has helped. My rather severe blockages were discovered via a Cardiac Calcium Score, I highly recommend our more "experienced" members get one. I have been unable to perform my duties as president, and Tom Morgan has stepped up and handled everything beautifully. Bob Burstein has taken over the Children's Surf Fishing clinics at Back Bay NWR, and apparently the first one was a rousing success. Tom has really knocked the website upgrade out of the park. This is a long overdue enhancement to intra club communications, as well as our outfacing interface to potential members and sponsors. BZ Tom!! (BZ is Bravo Zulu, which in Navy speak means good job). another BZ goes to Shannon Ferguson, who has been named to the US surf fishing team. A great tribute to his fishing prowess, and a wonderful reflection on our club. The scaled back Frisco Woods excursion was a good time had by all. The offshore headboat caught quite a variety of fish including red snapper, and Dolphin. Mary Bradley headed up the very successful Seaton Youth fishing outing, a signature event of the club, so Mary and all the volunteers get a BZ as well. Planning for the Red Drum Fishing classic in September is proceeding. It appears that this event is on track to exceed initial expectations. Our July meeting will be on the second Thursday in July to allow for the July 4th holiday. We will have John Germanos do a fish cooking exhibition, with samples of his fish cooking to be tasted by members. This will be a unique (and tasty) meeting, I hope to se a big turnout.

I am quite thankful to be able to pick my duties back up soon, and to still be here,

Rich

New VBAC Website!!

The new website is live and can be found at VBAnglersClub.com

Once we get the new site approved to take payments, the old site will be closed. The old web address (domain) will point to the new site.

It's still a work in progress, but a couple features currently working are online Prize Fish & Roulette entry form! No more paper, but it's still an option. Also, a more robust events page that will be connected to Facebook. In the works will be a picture section that will be connected to Instagram.

There will be an email with more info when we switch.

F & WL Kids Surf Fishing Clinic

June 25

This past Thursday, we held the first kid's surf fishing clinic for 2026 on the beach at the Back Bay Wildlife Refuge. We had 15 children with their parents. The weather was perfect, sunny, slight breeze and no bugs. The kids caught some fish, mostly small flounder, over a half a dozen (a good sign for the future of the species), plus a few croakers, and a small round head. Helping the kids from VBAC were: Pat Searby, Mickie Walsh, Russell Willoughby, Mike Muller, Randy Whittman, and Jeff Ratcliff. From NAC: Mike Rheinhart, and his grandson Joseph. All in all, a great morning!

Frisco Woods Weekend June 5th–7th

Frisco Woods Weekend

June 5th/6th&7th, 2026

This year's weekend, we had 11 members participate. It started on Friday, with an all day bottom fishing trip aboard the Miss Hatteras. The weather was fine, but the trip was a long ride, 3 ½ hours each way. On the ride out, we passed a weed line and John Stout caught 2 Mahi Mahi. Bottom fishing we got some nice red snapper, which Jerry Mariano cooked up for dinner Friday night.

Saturday, another nice day, we fished the Avon Pier. John Stout took first place with a 9"spot. Melanie Bayford took 2nd place with an 8 ½' croaker. John Stout was clearly high hook this weekend. Saturday night's meal was hamburgers and hot dogs on the grill.

We're planning to do a repeat for next year. Boat fishing Friday, Pier fishing Saturday (boat yet to be determined). Two great meals and a heavy dose of camaraderie. The weekend will be June 4th, 5th and 6th, 2027. If your interested in attending next year, I would suggest that now is the time to make your reservations. Frisco Woods Campground 252-995-5208

Bob Burstein

On Friday, June 5th, John Stout, Lou Corigliano, Patty Searby, Bob Burstein, George Gabriel, Jerry Mariano, and Mark Boettcher boarded the Miss Hatteras early in the morning for a full day fishing trip. We headed out to a rock reef, 20 miles offshore. We were dropping rigs, with 16 Oz. sinkers, about 200 feet down. After a slow start, we saw a group of Mahi just below the surface. Some of our group quickly reeled up, removed the sinker, and went back in with just the rig.

John Stout hooked a nice one and brought it into the boat.

The fishing continued and we started catching Vermilion Snapper (red snapper). This was my first time catching one of these so I was quite excited.

After a period of time we saw another school of Mahi and John was at it. He had his, no sinker, rig ready and down it went. John caught a monster this time.

Our goal was to catch dinner and we succeeded. 2 mahi, 6 snapper, and even a Lionfish (a poisonous fish that can be eaten if cleaned correctly) that we cooked, ate, and thankfully are all still alive.

We cooked the snapper whole, on the grill, along with other fish and had a wonderful meal that evening.

Although it was a very long day on the water, it was productive and also the first time I have seen Mahi being caught.

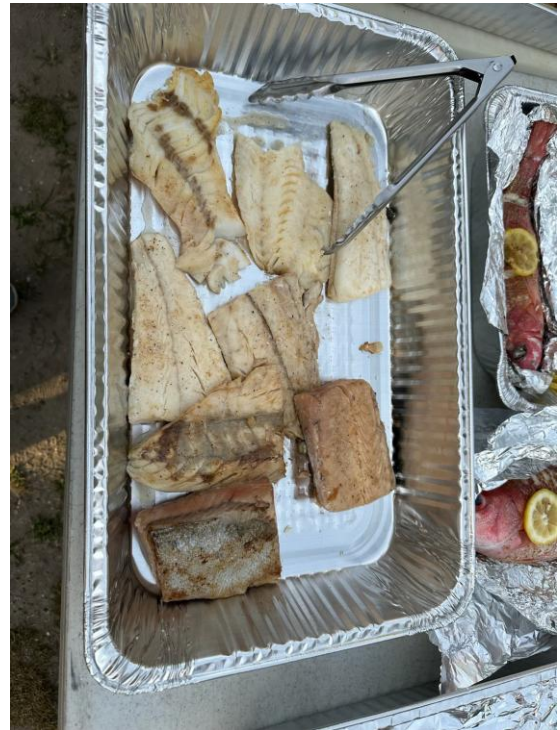

Cheers!

Lou

Bob Needs Help

I Need Help!

We have several surf fishing events scheduled for this summer with the F&WL. They are all held on the beach in the Back Bay Wildlife Refuge, south of Sandbridge. We meet at 8am, the kids arrive about 9am, and we're usually done by noon. The F&WL people supply all the equipment. Rods, reels, sand spikes, tackle and bait. All they need from us is talent, to make sure the kids have a good experience.

The dates are:

Thursday

Saturday

July 9th

July 11th

July 23rd

August 6th

August 20th

If you can help out on any of these days, please let me know. Thanks

The Seton Youth Trip

Our annual Seton Youth Fishing trip onboard the Nancy Anne took place on Saturday, June 20th. VBAC volunteers on the boat were JR, Lou Corigliano, and Anthony Albritton. It was a sunny, blue-sky day with very calm seas.

We headed out to the 1st island in hopes of finding some spot and croaker. We picked up a few but not enough to stay there so we worked our way down the bridge and eventually settled outside the 4th island where the fish were hungry. Several croakers were caught along with a round head (biggest fish) and even a small sand shark caught by one of the mentors.

The kids had a blast catching the fish, putting them into the buckets, and even naming them.

We went back to the Brock Center for the luncheon where John Stout, Mary Bradley, Bob Burstein, and Patty Searby had a wonderful spread waiting along with the prizes for the kids.

Biggest fish was a roundhead. Most fish (9) went to a 5 year-old boy and the youngest kid to catch a fish was a 5 yr old girl.

Once again, another successful Seton Youth day where everyone went home happy, full, and with a prize of their own.

Thank you, Mary Bradley, for coordinating this event and thank you to all the volunteers who made it happen.

Saltwater News

Good day today at the Oceanview pier. Caught my first cobia 29", 6.31 lbs. 20 minutes later hooked a 40+ inch fish, got it to the pier, but while trying to net, it took off again and wrapped around a piling and broke me off.

Saltwater News

Went by myself up the Piankatank last week. Anchored by one of my favorite docks. This one has afternoon shade.

Caught 3 bluegills. Was too busy with other fish to spend time on bluegills. Caught 5 blue catfish and kept 4. One rod had a screamer on. When I got it to the boat it was a long nose gar five feet long. When I reached for the net, it leaped out of the water and threw the hook. Damn! However, I was rewarded later with a 41 " gar. When I went to net it, the fish grabbed the net with his bill full of teeth. I had to get the smaller net and put it under his tail and lifted him in the boat using both nets. It was a very good day sitting in the shade. Melanie

Want to Go Fishing?

Anyone wanting to go Fishing

Well, being a new person in the club, there have been many times i have wanted to go fishing but no one to go with. I learned of this way to post a questing or an invite last year, but didn't really use it, my fault. Just wanted to bring this Facebook Group back to the forefront for any new people or old-time members that may have forgotten about it.

This Facebook Group is a member's only group where we can be free to post when and where we are going fishing and invite other members to join us. Also, it allows members who have boats looking for someone to join them on a trip and share the costs. It's a free and easy way to communicate with members and maybe make some new friends!

Once the weather warms up and the snow stops coming every weekend, I intend to hit the waters and start fishing. I intend to post when/where i am going in hopes that other members may reach out and join me. I figure someone has to start the process and be the guinea pig, so Im going to try and be religious about posting on this group.

Below are the instructions for joining the group:

- 1) Sing into your Facebook page
- 2) On your Homepage, go to Groups
- 3) Go to the "Search Groups" section of your Facebook page
- 4) Type in "VBAC Fishing Crew"
- 5) When the site comes up, click "Join" button.
- 6) Site Administrator will approve your request within 24 hours
- 7) Thereafter, the site will be listed in your Groups section so you can easily reach the group when you want to see what's happening. You can answer another members' post or post your own message about when/where you plan to go fishing.
- 8) Feel free to also post your availability as an angler or boat captain; i.e. days of the week, times during the day, etc...

Hope to see some posts on the Group this year!

1. The contest will run from January 1 through December 31. All entries from the previous year must be turned in by the regular January business meeting.
2. To be eligible for monthly awards, entries may be mailed to the VBAC Post Office Box, the Prize fish chairperson or placed in the hands of the Prize Fish Committee before the regular business meeting begins, following the month the fish was caught. To be eligible for the annual awards, all entries must be submitted no later than the second meeting following the catch. Catches made in December must be turned in by the following January meeting to be eligible for the previous year's awards.
3. The contest is free and open to all members in good standing whose dues have been paid before the catch, according to the club bylaws. There is no entry fee to participate.
4. The territorial limits for the contest shall be the waters of Virginia and North Carolina and their coasts.
5. To be accepted for entry, fish must be taken on hook and line and must follow all recreational fishing regulations as determined by the state to which it was caught. Only fish caught in waters open to public fishing may be submitted for entry to the Prize Fish Committee.
6. To qualify for entry as a catch, all fish must be weighed on certified scales.
7. In order to qualify for a club record, the fish must be weighed at an official state weigh station.
8. Weights should be converted to pounds and ounces. A witness must be present and must sign the form. If the fish qualifies for a VA or NC state tournament citation, that receipt will meet these requirements.
9. Entries in the monthly contest must meet "minimum club weight requirements" and will be considered for the annual contest. Minimum acceptable weights and lengths are set by the Prize Fish Committee and approved by the Board of Directors.
10. Acceptability of entries will be at the discretion of the Prize Fish Committee whose decision will be final.
11. In the case of a tie in the catch category, length, then girth will be used to determine the winner.

VBAC MISSION STATEMENT

The purpose of the VBAC is to encourage sport fishing, both freshwater and saltwater, while supporting prudent governmental and other policies that promote the preservation, conservation and ecology of all marine life.

Our Objectives:

- ❖ Monitor legislative and regulatory activities relating to management of local and regional fisheries and participating actively, where appropriate, to assure the adoption of sound management policy and practices that best serve the interests of VBAC members.
- ❖ Promote interest and participation in recreational angling by conducting programs and activities that encourage sport fishing.
- ❖ Educate members and others in the techniques of sport fishing to enhance their enjoyment of the sport.
- ❖ Conduct social activities that create a wholesome climate for deriving the maximum pleasure from sport fishing by members, their families and guests.
- ❖ Plan and conduct fund raising activities to provide the revenues needed to support these objectives.
